**Subject: 31<sup>st</sup> Annual US Central Open Taekwondo Championship**

**To: All Grandmasters, Masters, Instructors, and Students**

I am pleased to announce the upcoming 31<sup>st</sup> Annual U.S. Central Open Taekwondo Championship to be held **September 30, 2023**, at the USCTA Headquarters!

This year we are including Point Sparring, in addition to our usual Olympic style Sparring event. We plan on offering **Point Sparring** at our annual AAU National Qualifier tournament next year. Come be a part of this great annual fall tournament, this year with more event offerings! Part of the tournament will be held outside at the pavilion, so bring your chairs and enjoy seeing your friends and watching your favorites compete.

All Poomse, Sparring, and Special Events competitions will consist of a maximum of four competitors per division. Each division will be awarded 1<sup>st</sup>, 2<sup>nd</sup>, and two 3<sup>rd</sup> place trophies, and there is free admission for all spectators! If you are interested in an exhibition match (red belts & up), please consult with coaches and let us know your pick.

Masters and Instructors who are traveling out of state may qualify for reimbursement of their hotel stay depending on the number of competitors they bring. For further information regarding hotel stay see tournament details enclosed and visit **gmwons.com**.

We could really use your help volunteering to referee, so please consider sending in applicants. I look forward to seeing you in September. If you have any questions, please do not hesitate to call the number above.

Sincerely,

Grandmaster In Hui Won, Tournament Director  
President, U.S. Central Taekwondo Association  
World Taekwondo Hanmookwan Federation

**Thank you for supporting our tournament!**
