**Re: 2024 Hapkido Seminar in October**

Please accept this invitation for this year Hapkido seminar hosted through the US Central Taekwondo/Hapkido Association. The seminar will be held at the USCTA main gymnasium, 10801 S. Sunnyslane, Oklahoma City, OK and will be a two-weekend event! It is open to all black belts 12 years and up.

We are honored to have **Technical Chairman Secretary Grandmaster Joong Seok Shin** and **Secretary General Grandmaster Jae Hwan Lee** at our gym to instruct this year's hapkido seminar. You may have seen Grandmaster Chang Soo Lee and his organization Jin Jung Kwan in many videos online around the world. These masters are the very core instructors from Grandmaster Chang Soo Lee and Jin Jung Kwan and they will be traveling from South Korea especially for this occasion. As many know, Hapkido is a Korean martial art focusing on self-defense which many Taekwondo schools include in their curriculum. This seminar will teach basic and advanced techniques such as kicks, falls, hand-to-hand combat, joint locks, breathing techniques, etc. This is a great opportunity to learn from a world-class instructor.

Along with new skills and knowledge you will obtain the tools for reshaping your school's self-defense curriculum. This may enable you to enhance student retention and enhance the overall quality of your school to better serve your students and compete in the ever-increasing competitive field of martial arts. Each attendee will receive an official certificate of participation from the **World Hapkido Union**.

If you wish to test for a Hapkido black belt, there will be an optional Testing for a fee after the seminar. To test you must: currently hold a Taekwondo Black Belt and attend at least 2 seminar days. For those who have a Hapkido dan certification with another organization who wish to become part of the U.S. Central Hapkido Association and/or the World Hapkido Union may apply to obtain an equal dan rank certification. If interested, call for more information. Anyone who currently holds a certification may test for next level promotion.

The seminar is scheduled for the weekend to accommodate your schedule. You may choose to register for any one or more of the six days. Prices are as follows: \$85 for 1 day, \$145 for 2 days, and \$185 for all sessions. The day and times of the seminar are listed below. Fridays are included at no charge for participants.
