Re: Official Hap Ki Do Seminar

Please accept this invitation for an **International Hap Ki Do Federation** seminar hosted through the US Central Taekwondo Association. The seminar will be held at the USCTA main gymnasium, 10801 S. Sunnyslane, Oklahoma City, OK on June 2-3 and June 9-10.

This is an excellent opportunity to learn pure Hap Ki Do from Grandmaster Joo Sik Ko, 9th Dan Black Belt, Chairman of Education and Demonstration Team Captain for the International Hap Ki Do Federation.

Grandmaster Joo Sik Ko is an excellent seminar conductor who travels internationally. He will be travelling from South Korea especially for this occasion.

As you may know, Hap Ki Do is the Korean martial art that focuses on self-defense and weapons and shares many traits with Taekwondo. Many schools teach Hap Ki Do as part of their Taekwondo program, although not uniquely recognized as such. In this seminar you will learn basic and advanced techniques related to kicks, falls, hand-to-hand combat, joint locks, grappling, forms, weapons, etc.

Along with greatly enhancing your existing skills, you will obtain the tools for reshaping your school's self-defense curriculum, thus enabling you to enhance student retention, and enhance the overall quality of your school to better serve your students and compete in the ever increasing competitive field of martial arts.

Each attendee will receive an official certificate of participation. Those choosing to test, can qualify for certification from the International Hap Ki Do Federation at a rank commensurate with a combination of their ability as determined through a testing and their current Taekwondo rank.

If you wish to test for Hap Ki Do black belt, there will be an optional Black Belt Testing for a fee after the seminar. To test, you must currently hold a Taekwondo Black Belt, attend at least 2 seminar days, and bring two passport size photos. The testing includes an official International Hap Ki Do Federation certificate and I.D.

This is the second seminar of this type. Last year, 37 instructors attended and 33 were certified Black Belt. Those who were certified last year may be eligible for promotion testing.

This seminar has limited availability. Don't miss this chance to learn from the finest so that you and your school can be armed with the most accurate information.

We have scheduled the seminars to accommodate your schedule. You may choose to register for any one or more of the four days: \$75 for 1 day, \$125 for 2 days, \$150 for 3-4 days.
